B Jagadeesh, M.Tech-NITW
Assistant Professor
Department of Civil Engineering
MVGR College of Engineering (Autonomous)
Surveying and Geomatics

Course Description

This course enables the learners to understand the principles, techniques and tools or instruments used in surveying for obtaining field measurements involved in engineering projects.

Learners will be able to develop skills in effective usage of field instruments in preparation of Plans or maps from the data obtained from survey.

Course Coordinators:

Mr. Rajendra Prasad Singh  
Assistant Professor  
Department of Civil Engineering  
MvGR College of Engineering

Mr. VVnay  
Assistant Professor  
Department of Civil Engineering  
MvGR College of Engineering
