

Courses published Online in Canvas & MOODLE By Department of Computer Science & Engineering

The screenshot shows the mVGR Moodle dashboard. The browser address bar displays `mvgrglug.com/mvgrmoodle/my/`. The dashboard features a sidebar menu on the left with options like 'Dashboard', 'Site home', 'Calendar', 'Private files', 'My courses', and several course codes including 'CSE-SEM3-PWPLAB-A', 'CSE-SEM3-PWP-A', 'CSE-SEM3-DTPI-B', 'CSE-SEM3-DTPI-C', 'Team07', 'Team06', and 'MVGRMoodle'. The main content area is titled 'mVGR Moodle' and includes a 'CUSTOMISE THIS PAGE' button. Below this, there are sections for 'Recently Accessed Courses' (showing 'C Section Design Thinking & Product Innov...', 'A Section Programming With Python', and 'Teacher Courses MVGR Moodle'), 'Timeline' (with 'No upcoming activities due'), and 'Private Files' (with 'No files available'). A 'Course Overview' section is partially visible at the bottom.

The screenshot shows the Canvas LMS dashboard. The browser address bar displays `canvas.instructure.com`. The dashboard is titled 'Dashboard' and features a sidebar with navigation icons. The main content area is divided into 'Published Courses (2)' and 'Unpublished Courses (0)'. Under 'Published Courses (2)', there are two course cards: 'Online Teaching' (with a globe icon) and 'MVGR_CSE_Jayasri_M3' (with a purple background). The 'Unpublished Courses (0)' section shows 'No courses to display'. On the right side, there are sections for 'Coming Up' (with 'Nothing for the next week'), 'Recent Feedback' (with 'Nothing for now'), and buttons for 'Start a New Course' and 'View Grades'. The system clock at the bottom right shows 'PM 5:07 02-02-2021'.
