5. Leadership:

   After his long association with Mansas, Ashok Gajapathi Raju became the Chairman of the Trust in March 2016. In this one year he has given Mansas a vision, a direction and the necessary impetus it needs. Ashok is the younger son of Late Dr. P.V.G. Raju, the generous Founder of the Trust and an exemplary human being whose values and honor his son has imbibed. Ashok himself has had a long political career since 1978 spanning four decades. His intrinsic values of honesty, justice, co-operation & fair play have seen him occupying the important portfolios of Commercial Taxes, Finance, Revenue & Legislative Affairs in the Andhra Pradesh Government. When in the opposition, he braced himself with the issues of the common man & contributed significantly which resulted in getting the best legislators award. Another aspect close to his heart is his love and enthusiasm for sport. He has strived tirelessly towards this and has also been the President of the Andhra Cricket Association. Besides an illustrious career in politics and an avid sportsmen, Ashok wears the mantle of being the hereditary trustee of 108 Temples, the largest being the Abode of Lord Varaha Narasihma Swami, in
Simahachlam. He is always prepared to go the extra mile in the interest of education, technology & social growth. Because of his clear vision and undying commitment, he shoulders all his responsibilities with ease.

6. Institution at a glance:
- Established in the year 1997
- Reaccredited for all B.Tech Programs (CHEMICAL, CSE, ECE, EEE, IT, CIVIL & MECHANICAL) by National Board of Accreditation
- Departments of MECHANICAL, CHEMICAL, ECE Civil, CSE and Maths are recognized as RESEARCH CENTERS by JNTUK and EEE & MBA are in pipeline.
- MBA program was accredited by NBA and presently in the progress of reaccreditation
- Reaccredited with ‘A’ grade by National Assessment and Accreditation Council upto 2020
- Conferred “Autonomous Status” up to 2020-21 by UGC
- Permanently affiliated to JN Technological University-Kakinada
- Listed under sections of 2(f) & 12(b) of UGC act 1956.
- Approved by AICTE-New Delhi
- MSME identified “Business Incubation Centre”
- Government of AP identified the institution as “Skill Development Centre”
- MVGR College of Engineering is rated as one among the best Engineering Institutions in the state of Andhra Pradesh.
- Identified as Technical Skill Development Institute by SIEMENS and APPSDC. Govt. of AP.
- Civil Engineering Department is identified as “Quality Controller” to Vizianagaram Municipal Corporation

7. Courses Offered:
The college has moved forward from a humble beginning with 4 departments and 200 students in 1997 to a current regular intake of 1182 students including UG and PG. It offers seven UG programs and 9 PG programs in Engineering & Technology, in addition to MBA program.

GOVERNANCE

1. Introduction:
Maharaj Vijayaram Gajapathi Raj (MVGR) College of Engineering was established in the Year 1997 by Maharaj Alak Narayan Society for Arts and Sciences (MANSAS) to impart quality technical education in North Coastal Andhra Pradesh. The society MANSAS was established in 1958 by the erstwhile Raja Saheb of Vizianagaram, (Late) Dr.P.V.G.Raju. It offers KG to PG level education in Arts, Sciences, Engineering and Management across 12 Institutes. MVGR College of Engineering is one of those 12 Institutes and is located in lush green, serene and pollution free environment spread around 60 acres of land in Chintalavalasa village situated in the outskirts of Vizianagaram, a fort city in the North Coastal region of Andhra Pradesh.

2. Vision of the Institute:
MVGR College of Engineering strives to become a center par excellence for technical education where aspiring students can be transformed into skilled and well-rounded professionals with strong understanding of fundamentals, a flair for responsible innovation in engineering practical solutions applying the fundamentals, and confidence and poise to meet the challenges in their chosen professional spheres.

3. Mission of the Institute:
The Management believes imparting quality education in an atmosphere that motivates learning as a social obligation which we owe to the students, their parents/guardians and society and hence the effort is to leave no stone unturned in providing the same with all sincerity. Towards that end, the Management believes special focus has to be on the following areas:

- Have on-board staff with high quality experience and continuously updating themselves with latest research developments and sharing that knowledge with students.
- Having a well stream-lined teaching learning process that is continuously assessed for effectiveness and fine-tuned for improvement.
- Having state-of-the-art lab and general infrastructure that gives students the necessary tools and means to enhance their knowledge and understanding.
- Having a centralized placement department focused on improving placement opportunities for our students directly on campus and coordinating the training programs for students to complement the curriculum and enhance their career opportunities.
- Having advanced research facilities and more importantly, the atmosphere to encourage students to pursue self-learning on advanced topics and conduct research.

4. Strategy:
To translate the vision into action and accomplish the mission, MVGR should strive to

- Formulate various programs for providing quality education.
- Provide an environment most conducive to learning and create an intellectual atmosphere in the campus.
- Offer techniques for converting learning into education and applications.
- Develop the personality of students to become responsible members of the Society filled with conviction, competence and commitment.
• Stimulate in them a spirit of inquiry to give knowledge and skills that can enrich their lives in future.
• Conduct courses relevant to the latest technology and needs of the local community.

5. Institutional Management:
The MVGR College of Engineering is being managed by Maharaj Alak Narayan Society of Arts and Science (MANSAS), a registered educational society. Engineering College has a separate Governing Body with 13 members, the Principal as its Member-Secretary. It has representatives of the University, Industry, AICTE as well as Andhra Pradesh Council for Higher Education (APSCHE) on its membership. The Governing Body meets twice in a year to review the activities and the progress of the college and offers suggestions for improvement and future courses of action. The day-to-day administration is carried out by the Heads of the Departments concerned under the leadership and the guidance of the Principal. The Principal is supported by the two Vice-Principals, two Asst. Principals and six Deans in his day to day activities.

MVGR College of Engineering has well defined organization structure with greater employee participation in various academic and administrative roles and responsibilities. Budgetary allocations under various heads of expenditure for given Academic Year are arrived at a thorough process of transparent and effective participation of departments. Departments periodically under the convenorship of Head of the Department, develop growth and action plan through faculty participative process.

6. Governing Body:
The Governing Body of the Institution carries responsibility for ensuring effective management of the Institution and for planning its future development. The Governing Body looks after the affairs of the Institution and demonstrates the primary objectives of teaching and research. It includes considering and approving the strategic plan for the Institution, setting the academic aims and objectives of the Institution, and identifying the financial, physical and staffing strategies. The members of the body are eminent personalities such as educationalists, philanthropists and industrialists etc.

The Governing Body, the policy making entity of the Institute meets periodically to discuss and review performances and budgetary compliances. The Governing Body also reviews various proposals for introduction of new programs/ variation of intake/ policies for further development and faculty recruitments in addition to placements, infrastructure, academic performances of the Institute.

QUALITY – ASSURANCE

1. Quality Policy
To reach continuously the higher quality benchmarks in training students on all skills expected of a technical professional through:
• A meticulously planned yet flexible learning process administered
• Accomplished teachers who are encouraged to keep in touch with the latest developments in their respective areas of interest.
• A state-of-the-art infrastructure providing a stimulating learning environment.
• A Continuous assessment of the effectiveness of learning processes through stake holders’ feedback.
• A Continuous fine-tuning aimed at improvement

2. Quality Assurance:
The Internal Quality Assurance Cell (IQAC) takes care of various academic audit processes ensuring Quality Assurance.

2.1 Objective: The primary aim of IQAC is:
• To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
• To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of the best practices.

2.2 Strategies:
IQAC shall evolve mechanisms and procedures for
a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
b) The relevance and quality of academic and research programmes;
c) Equitable access to and affordability of academic programmes for various sections of society;
d) Optimization and integration of modern methods of teaching and learning;
e) The credibility of evaluation procedures;
f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
g) Sharing of research findings and networking with other institutions in India and abroad.

2.3.1 Functions:

Some of the functions expected of the IQAC are:
a) Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
b) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
c) Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
d) Dissemination of information on various quality parameters of higher education;
e) Organization of inter and intra institutional workshops, seminars on quality-related themes and promotion of quality circles;
f) Documentation of the various programmes/activities leading to quality improvement;
g) Acting as a nodal agency of the Institution for coordinating the quality-related activities, including adoption and dissemination of the best practices;
h) Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality;
i) Development of Quality Culture in the institution;
j) Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

3. Feedback:

3.1 Staff:
Meetings are held periodically within each Department by the Head concerned with its faculty and the problems related to the academic and other activities of the Department are discussed and the proceedings are recorded. Principal convenes meetings with all the Heads of the Departments periodically every month to have an appraisal and review of the academic and other related activities in the Departments. The outcome of the proceedings of each Department is presented by the respective Heads in the meeting with Principal. Suggestions are invited, thoroughly discussed and appropriate resolutions are taken with the consensus of each Department for implementation.

All the staff are also required to actively participate in bi-annual meetings with the Principal in the Chair. They are invited to voice freely their opinion and offer suggestions for any short-comings or lapses in the implementation of the resolutions taken. This helps in the smooth running of the college in the congenial environment.

Students appraisal with respect to class work, teaching and other student-related problems are also discussed in these meetings for sorting them out. Student counseling is regularly carried out through student counselors allocated for each student. Each teacher is assigned to a specific group of students for counseling.

3.2 Students:
Class Review Committee comprising of Head of the Department, teaching faculty for that class, teacher in-charge and student representatives reviews the activities of the class including student performance and other related matters to take necessary corrective actions.

The Principal regularly interacts with Class Representatives (CR’s) and conducts two meeting in a year with all the CR’s.

The Institute takes feedback from students on their respective subject teachers during the middle of the semester and at the end of the semester. Feedback is collected through both online and written feedback forms. A committee consisting of Principal, Vice Principal(Academic), Assistant Principal(Academic), and the Head of the department, Two Senior Faculty of the department will analyze the feedback.
Appropriate corrective actions are initiated. Students comments are considered positively and weaknesses with regard to teaching are rectified by advising the faculty with the sole objective of maintaining good academic practices and standards.

3.3. Result Analysis and Review:
Student Performance in the University Examination provides a fair indication of student learning and a detailed analysis of performance is carried out at the end of the Semester by Administrative team led by Principal, HOD, and Two senior faculty members of the respective department and necessary corrective measures to improve the teaching – learning process are discussed and necessary actions are initiated.

3.4. Feedback from Alumni:
Feedback from Alumni provides an opportunity to bridge the gap between the industry and the academics, as they provide valuable inputs to enhance the quality learning.

3.5. Feedback from Employers:
This in fact gives actual representation of the quality of the product the college is producing i.e., well rounded and competent professionals who can provide good engineering solutions for the benefit of the society. This feedback gives opportunity to hone the skills of the students to make them Industry ready.

HUMAN RESOURCES

1. GENERAL CONDITIONS:
1.1 General:
   a) These rules shall be called MAHARAJ VIJAYARAM GAJAPATHI RAJ COLLEGE OF ENGINEERING, VIZIANAGARAM Service and Conduct Rules and shall come into force from the date decided by the Chairman of the Governing Body of the College. These rules supersede all rules previously in force.
   b) Except as otherwise provided these rules shall apply to all categories of employees except part-time employees and employees borne on contingent establishment.

(d) No staff member will get extra ordinary leave for more than 3 years during his/her entire service.

After availing extra ordinary leave, the employee should serve the Institution at least for one year regularly and during this one year the employee will not be granted any other kind of leave except Casual Leave and Medical Leave.

An Employee will not be permitted to extend extra ordinary leave and as and when their leave term gets over they have to report for duty.

If the employee wants an extension of this leave, then it will be meant that he is not interested in doing further service and wants to resign the job or he wants to opt for premature retirement that's why the extension of leave is sought.

At a time, in one department only one staff member can go on extra ordinary leave.

An employee can proceed on extra ordinary leave when he/she takes clearance certificate from departments including Principal’s Office and completes the formality of handing/taking over, failing which, the leave of such an employee will be understood as cancelled and he will be considered absent from duty.
